REISSUE APPLICATION DECLARATION BY THE ASSIGNEE

Docket Number (Optional) **93SC024RE**

At least one error upon which reissue is based is described as follows:
 The invention which is described and taught by the specification is a monolithic optical compensator containing at least one positively birefringent O-plate compensating element, but the claims are not limited to compensators having at least one positively birefringent O-plate (the only additions to and omissions from this reissue application, per 37 C.F.R. 1.173, are in Claim 1, Lines 2, 5 and 6).
 This reissue application is being filed pursuant to an Order in Winker (Patent No. 5,612,801) v. Ableson (Application No. 08/881,667), Patent Interference No. 104,372, Paper No. 17, Dated November 10, 1999. [Attach additional sheets, if needed.]

All errors corrected in this reissue application arose without any deceptive intention on the part of the applicant.

WARNING:

Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, and that such willful false statements may jeopardize the validity of the application, any patent issuing thereon, or any patent to which this declaration is directed.
